

Miling Primary School

AN INDEPENDENT PUBLIC SCHOOL

13 March 2019

Message From The Principal

This newsletter is a combination of School & Community news and as a result some content may not reflect Miling Primary School's attitudes or values.

MORAL PURPOSE:

to provide the opportunity for our students to become well informed, actively involved, positive citizens through: developing life long learners and maximizing the potential of every student.

Dear Parents and Community

As with all busy places, our school term seems to have moved along very quickly. The teachers are working hard to provide high quality learning experiences for our students, increasing their expertise through recent professional development. Miss Huggins is implementing the recommended Letters and Sounds resource in the junior program this year to build children's speaking and listening skills, as well as, preparing them for learning to read by developing their phonic knowledge and skills. Mrs Dennis has added the Talk 4 Writing resource to the senior room which helps children to imitate key language before they try reading and analysing it. They rehearse the tune of the language and participate in shared writing to show them how to craft their writing. Both of these initiatives are in response to increasing our children's potential in literacy.

TENNIS

The children have been enjoying tennis lessons with Mrs Joey Seymour and Ms Karen Ellis using the impressive equipment bought through the Sporting Schools funding. Thank you Ladies, what a wonderful opportunity for Miling to foster a lifelong interest in sport.

SWIMMING CARNIVAL

This Friday, the interschool swimming carnival will be held in Moora. Students from Years 1-6 will be participating, with Pre-primary students remaining at school for a normal school day. Parents are responsible for transporting their child/ren to the pool, arriving at 9:30am for a 9:45am start. Please advise your bus contractor of your child/ren's movements

well in advance so they can determine whether they have a bus run. Please do a double check of all the items your child/ren will need for the day. I would like to wish our competitors the best of luck for their events.

SNAKES

We have had three snake sightings on the school grounds in the past week. Staff have spoken to students about the danger of snakes and what to do in the event of seeing a snake, however reinforcing the information at home would be appreciated.

SPECIAL DAYS

Two auspicious days graced our calendar this term. Commonwealth Day on Monday 11th March which is the annual celebration of the Commonwealth of nations and International Women's Day on Friday 8th March. It is important for us to acknowledge the dedication and commitment of women in our community that support our children and families. The caring compassionate and industrious environment of Miling PS is just one example of that feminine grace and we thank you.

The children are at Watheroo today participating in the Circus Challenge, and I expect there will be a lot of clowning around when they get home tonight and some lovely photos for the next newsletter. Until then, happy trails.

Kind regards

Mishelle DelCaro
Acting Principal
