

Miling Primary School

AN INDEPENDENT PUBLIC SCHOOL

27 March 2019

Message From The Principal

This newsletter is a combination of School & Community news and as a result some content may not reflect Miling Primary School's attitudes or values.

MORAL PURPOSE:

to provide the opportunity for our students to become well informed, actively involved, positive citizens through: developing life long learners and maximizing the potential of every student.

Dear Parents and Community

Our students have been involved in a few excursions this term; the Circus Challenge and the Interschool Swimming Carnival. They have had lessons with other teachers and adults including tennis and LOTE online and specialist subjects. I feel proud of our students respectful and responsible behaviour as a school. It is lovely to see our students care for one another and support other students with sporting integrity at events.

Inter School Swimming

Go Miling! We carried the Interschool Swimming Shield home again this year. We certainly have some swimming champions. Congratulations to Hayden Topham and Jacob Seymour who won Senior & Junior Champions respectively. Also to Xavier White, Heidi Mincherton and Heidi Seymour for coming Runner Up in the Junior Boys and Girls, and Senior Girls respectively. Congratulations to these students for their outstanding performances and to all of our students who swam and cheered everyone on. It was a fantastic day at Moora pool with all schools supporting their swimmers to the finish line, having fun and competing to the best of their ability.

Fundraising

The Year 6 Leaders have begun talks on their fundraising ventures for the year. This term they have chosen to go with Ryan's Radio Lollipop. You will see his message and information in this newsletter. Your support for their initiative will be very important.

Attendance

Whilst the Senior Room prepares for the camp to Rottnest next week, we continue full steam ahead with our learning program. There is a lot to cover to give our students the opportunity for a full year of progress and achievement. Your insistence on your child's attendance is the key. Children do get ill and it's important for them to recover. Children also become tired and grumpy, and other things get in the way, especially towards the end of term. I tell the students that going to school is like training for the Olympics, if you have days off you lose your stamina and you can't do your best. Just imagine if Hussein Bolt decided not to run for a week!

I wish all camp goes a wonderful week of fun and learning at Rottnest. And I thank Mrs McCuish and Mr Seymour for getting on board (literally) to support the teachers Mrs Dennis and Miss Huggins. This experience is a valuable part of a child's social and emotional education and the adults go above and beyond their normal duty to provide an engaging and safe environment in which to learn. I am sure our students will show Rottnest their respectful, responsible and caring natures as they carry our school name and parent's values with pride.

Kind regards

Mishelle DelCaro
Acting Principal

PRIDE - EFFORT - PROGRESS

for Children
in Hospital

Volunteers providing care, comfort, play and entertainment to children in hospital
Radio Lollipop is a unique and stimulating charity which operates 365 days of the year.

The essence of the charity is based around the children's interaction with both the radio and the volunteers who visit the wards to coincide with live broadcasts.

We have been visiting the wards since 1985.

Our volunteers visit the children in hospital to provide care, comfort, play and entertainment.

We play games, have nightly competitions, read stories, sing songs or act silly to gain a smile or a laugh from a sick child.

In Perth, the Radio Lollipop studio is located at Perth's Children's Hospital and is programmed around the requests of the children on the wards.

Children are encouraged to be the announcer, talk on air, participate in competitions or simply ring up the DJ to request their favourite song!

For the children who are unable to leave their beds, our volunteers visit them personally to ensure quality time for all.

Funds raised help kids access the radio and ward visiting programs at Perth Children's Hospital and Joondalup, SJOG Murdoch, Fiona Stanley, Armadale, Rockingham, SJOG Midland and Kalgoorlie hospitals.

Crazy Hair Day

Who- Miling Primary School is holding **Crazy Hair Day**

What- It will cost a gold coin donation for the Perth Children's Hospital

When- Friday the 12th of April Last Day of School

Where- It will be a normal school day but you get to style your hair however you want

Why – The money raised goes towards radio lollipop who have been cheering up kids in hospital since 1985. They also go into the wards and do fun things with patients who are disabled.

Here are some ideas about how to style your hair-

SIDE Request for Student to update password

We have been advised that some parents/students have received an email from SIDE, to their home email address, requesting that the student update their password for their Department login. These are automatically generated emails from MOODLE which is the program that students login to for Languages. Email addresses are sourced from the Integriss system which we update from the school and would include the parents email address. These emails can be ignored.

Dear Principal

Scoliosis in schoolgirls The National Self-Detection Program for Scoliosis 2019

We are writing again to recommend that all schools with girls in Years 5 and 7 participate in the National Self-Detection Program for Scoliosis by downloading our Self-Detection Fact Sheet and distributing it to their students. The Fact Sheet can be accessed directly from the Scoliosis Australia home page at www.scoliosis-australia.org and provides information on how to self-assess for scoliosis. We ask that your school participates annually in this important program and thank you if you have done so in the past.

Scoliosis (spinal curvature) is an important health problem for adolescent girls. Twenty-five girls per thousand are at risk of developing a significant curve and three girls per thousand require active treatment (spinal brace or surgery). In the early stages the condition is most often asymptomatic so screening in the age range of 10 to 12 years is a sound preventative measure. When school screening for scoliosis was abandoned some years ago we introduced the National Self-Detection Program for Scoliosis as a practical alternative. Our policy on the matter is fully explained on the website.

The Scoliosis Australia website also contains comprehensive credible information about the symptoms and treatment of scoliosis. Our forum is a useful resource and offers a strong support base for adolescent patients with scoliosis and their parents. Healthcare professionals and other interested parties can discuss the Program in the forum.

Thank you for your co-operation. We welcome comments from you and your staff.

Yours sincerely

Angus Gray

TUESDAY 26 MARCH

Apple Lightning charger

Has grey duct tape wrapped around one end.

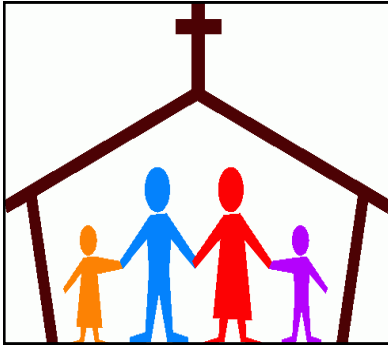

See Vikki in the office to claim.

We were very saddened to hear of the sudden passing of Darryl (Butch) Pattison.

Our deepest sympathies are extended to all members of Butch's family.

Miling Community News

MILING COMMUNITY CHURCH

Services Held:-
2nd Sunday @ 9.30am & 4th Sunday @ 8am
Followed By Morning Tea!

ALL WELCOME !

The 2019 golf season will soon be under way with the annual Pre season game to be held at Maylands Golf Course on Friday the 29th March, \$60 per person including a cart and food afterwards.

The club Opening Day will be held on either the 13th or 14th April, this date is still to be confirmed, as we are hoping not to clash with the hockey. Steak and salad, to share will be for dinner.

This seasons Match Play against Watheroo will be held on the 27th April at Watheroo.

Any queries please contact Men's captain Russell on 0429 631047 or Ladies Captain Riana on 0419 543022.

Hope to catch you on a course soon.

FOOTY TIPPING

Well here we go again. Welcome back to round one of the footy tipping.

This weeks lucky tipster was Riley White with 8 winners. Closely followed by Scott with 7.

The rest of us well not so good.

For those tipsters playing online, please note that the leaderboard results only depend on the *total* column, not the margin column.

If you have a look at the score board you will know that it's not too late to enter.

Only \$50 to play.

Cheers for now Happy tipping.

First game for is on Saturday 27th April.

For more information please contact: Melissa Cameron 0458696916

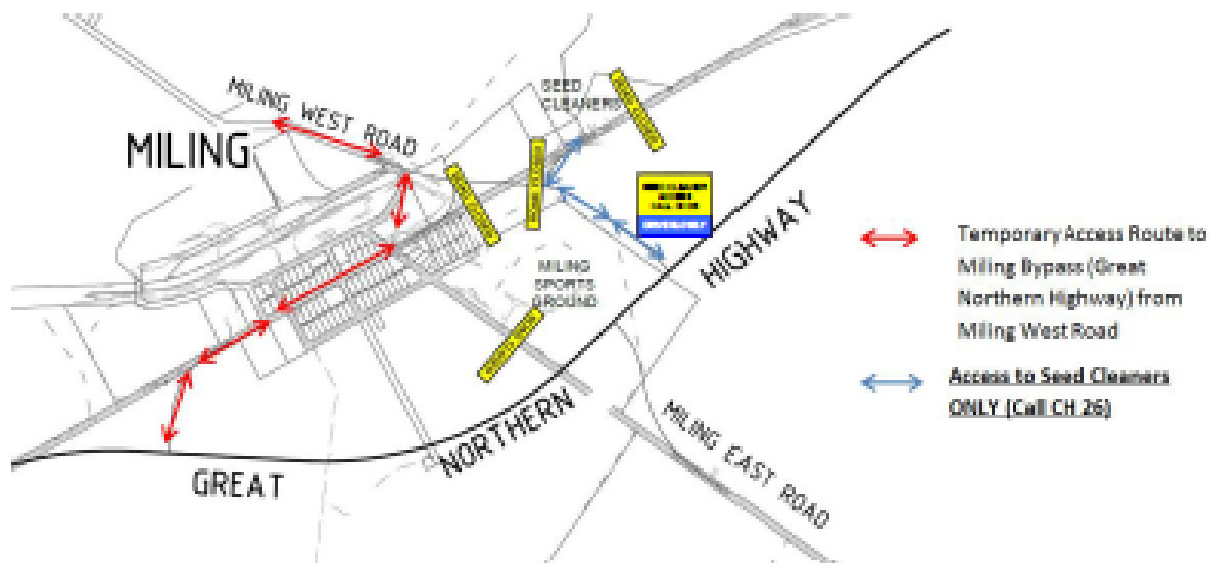

Great Northern Highway – Muchea to Wubin Miling Bypass

Roadworks Update

Access to Miling and Miling Seed Cleaner

In preparation for the final works on the Great Northern Highway (GNH) Miling Bypass Project, the Contractor has implemented the following road closure and opening:

- **Miling Southern Access Road – OPEN**
 - Access to Miling from the GNH is via the Miling Southern Access Road only.
 - Sealing works will commence on the Southern Access Road from Monday 18 March 2019. Traffic will be reduced to a single lane to facilitate these works.
- **Miling West Road from the Bypass – CLOSED**
 - **Miling Seed Cleaners access ONLY**– Trucks / Seed Cleaner customers ONLY to enter Miling West Road from the Bypass. A detour is in place to divert all other traffic to the Southern Access Road.

INDUS Civil and Mining Pty Ltd (previously Watpac Civil and Mining Pty Ltd), on behalf of Main Roads, are the Contractor upgrading the GNH from Lyons East Road to Miling North Road, including the construction of an eastern bypass of the Miling town site. Construction is expected to be complete by May 2019, with landscaping to follow. INDUS and Main Roads thank the community for their patience during the construction.

Further Information and updates

If you have any questions, queries or feedback please do not hesitate to contact the project team via email info@mr2w.com.au or phone 1800 820 366. For further information see <https://project.mainroads.wa.gov.au/home>
