Message From The Principal

This newsletter is a combination of School & Community news and as a result some content may not reflect Miling Primary School's attitudes or values.

MORAL PURPOSE:

to provide the opportunity for our students to become well informed, actively involved, positive citizens through: developing life long learners and maximizing the potential of every student.

Dear Parents, Carers and Community

Mother's Day

The term began with a very special treat, as Mothers and Grandmothers helped to make their own bouquets and special photo frames, dressed up and had their nails done, some even had a hit of totem tennis. The children were delighted with their makeup skills, as were the Mums when they saw their reflection. Nan Pratt was even showered with love hearts on her forehead. After all the fun, everyone enjoyed a sumptuous morning tea. A big thank you to Charlotte Huggins for organising the day, staff for the delicious treats and our wonderful Mums and Grandmothers for their endless love and support.

Book Fair

Once again, the community supported our children's education at the Book Fair, spending a huge \$1644. Scholastic provided a great range of books and paraphernalia to excite our students and the school received bonuses for every dollar spent. The students decorated a book mark on their favourite book at the fair, and Madison, Kohl, Libby, Keira, Cooper and Tommy were voted winners and received a voucher to spend. Supporting your child to read enhances their vocabulary and intelligence, and experts say keep reading to your children as they get older. Valuable moments in time!

Special Dates to Remember

Several events are coming up with important dates and notes to keep handy. The Junior Room will delight us with their assembly item next Tuesday

and you will have the opportunity to meet our new Principal Mrs Michelle Murray. The P&C meeting will be held straight afterwards in the Art Room. The School Board Meeting will also be held next week on Thursday.

Our students will be participating in the Central Midlands Performing Arts Festival in Moora on the 7th June. St Joseph's will be running the festival this year and the program is attached to the newsletter. An initial letter has been sent home asking for a quick response to lunch orders on the day if required. It will be such a wonderful event with more information coming home soon!

School Development Day & Public Holiday

Next Friday is a School Development Day for staff. The Wheatbelt Regional Office and Inland Lighthouse Network are providing an excellent day of professional learning for staff at Dalwallinu and Moora and, as such, the school will be closed. Students will not come to school on Friday or the following Monday due to the WA Day public holiday.

I would like to take this opportunity to thank the Miling school community for my experience as Principal this year. It has been a privilege and a pleasure.

Kind regards

Mishelle DelCaro

Laugh and the world can't help laughing with you, study says

By Jeremy Laurance, Health Editor

- * Children laugh about 400 times a day; adults just 14.
- * Laughter protects the heart and reduces blood pressure.
- * An occasional chuckle increases tolerance of pain, reduces allergic reactions and bolsters the immune system.
- * A belly-laugh brings a rush of endorphins, the body's natural opiates, similar to that triggered by brisk exercise.

On behalf of St Joseph's School, we hope you all have a wonderful day and thank you for participating in the 2019 Central Midlands Performing Arts Festival.

Thank you to all the teachers, staff and students for putting in the hard work in the lead up to this festival and also on the day.

Thank you to the wonderful St Joseph's P&F for providing food and beverages.

A special thank you to Mrs Priscilla Willmott and Mrs Tarlee Brown for comparing and running the lighting.

Thank you to everyone else who has worked tirelessly behind the scenes and who have contributed to make this day successful.
