About Us

Message From The Principal

This newsletter is a combination of School & Community news and as a result some content may not reflect Miling Primary School's attitudes or values.

MORAL PURPOSE:

to provide the opportunity for our students to become well informed, actively involved, positive citizens through: developing life long learners and maximizing the potential of every student.

Dear Parents, Carers and Community

End of Term 2

I think everyone is looking forward to a lovely two week break with family and friends.

The staff have worked extremely hard to produce comprehensive and well thought out reports for each student. It is a time consuming and strenuous part of teaching and learning, for which I feel our staff have completed in a very professional manner.

On Friday 28th June I had a visit from Shannon Wassman from the Wheatbelt Regional Office and I worked with her regarding planning for my own leadership and achievements that I would like to implement for the remainder of the year.

This term has gone so fast and I have been Principal for six great weeks. As part of the team concept we are creating towards teaching and learning, the staff will be working on the School Development Day, Monday 22nd July, to identify Professional Learning, Goal Setting, Problem Solving and Focus for Semester Two. The students return to school on Tuesday 23rd July.

I have some individual goals for Miling Primary School and will be working extremely hard to facilitate and accommodate those goals for our students.

I wish you all a very safe and relaxing holiday break with all of your children being home to enjoy the advantages of family time!

Thank you for your warm support during my first term at Miling Primary School and I look forward to moving the school and students forward to achieve success for the rest of the year.

School Focus

Our previous two-week focus had been on EFFORT. Students have written or had their pictures taken when they had exhibited this focus. This has proven to be very successful.

At the assembly on Tuesday I drew two lunch order prizes for two students who have either won a PRIDE or an EFFORT acknowledgement.

We will consolidate the PRIDE and EFFORT focus for our last week and begin a new focus on Week 1, Term 3.

▪ **Caitlyn Pratt won her school lunch for PRIDE**

▪ **Molly McCuish won her school lunch for EFFORT**

Our Current Attendance Rate is 95.3% for Semester One.

Please ensure the school is informed regarding student absences as soon as possible. Extended absences will need to be authorised by the Principal as this appears on our Attendance Report. *Continued next page ...*

Western Australian Football Competition

Congratulations to Jett Seymour for winning the competition is open to all students from Year 3-6 in Western Australia.

In the Year $\frac{3}{4}$ category the starter was ...

There was only one present left under the Christmas tree and it had my name on it. I grabbed it and quickly ripped at the wrapping paper. Wow, just what I wanted, a shiny new red footy! But, there was something different about this football...

An independent judging panel assessed the entries using the NAPLAN narrative marking guide.

Mike Hind, our WA Football Commission Representative, came to the school on Tuesday to present Jett with his award. What a fantastic effort from Jett!

Science Aspirant Camp

Congratulations to Hayden Topham who has been selected with a number of other students from our region to attend a Science Aspirant Camp in Perth from 30th July until 2nd August.

It is terrific to see our students excelling in the academic field.

Outstanding Administrative Support Office Award

Mrs Jones was presented with a WAECCSA Certificate of Recognition to acknowledge her fantastic dedication, loyalty and commitment to the school, its staff, students and parents.

NAIDOC Acknowledgement

This will take place on the first day back in Term 3, Tuesday 23rd July. The school will have visiting Rangers from Cervantes that will come and present information regarding the environment and animals in our region. The students will be completing some artwork, digital technology, literacy and language activities on the day.

Leaving and Returning to School

Please be aware that if your child needs to leave school early, they need to be signed out from the classroom. If they return on the same day, or have an appointment and arrive late to school, please ensure that a member of staff is aware of the fact that your child has arrived at school to ensure that we have the right information in Integris regarding your child's attendance. This process is part of the mandatory reporting requirements for every school.

Reporting to Parents

Please ensure that you read your child/children's reports carefully then share your thinking with them regarding the effort and progress during semester one. This is a terrific opportunity to encourage student/s to perhaps set some goals for the remainder of the year. We will be focussing on goal setting for second semester to both consolidate and support progress for all of our student learning.

Regards

Ms Murray,

Principal

PRIDE - EFFORT - PROGRESS

27 June 2019

Back, L - R
Riley, Eliza, Summer and Heidi

Front, L - R
Tyler, Caitlyn and Zoe

Zoe - Zoe is always an enthusiastic and motivated student, with a fantastic attitude, who strives to do her best. She has been working extremely well in Measurement and Geometry this term and has made pleasing progress. Her knowledge of three dimensional shapes has increased as she can now confidently name a number of shapes and describe their features. Well done, Zoe!

Tyler - Tyler arrives at school everyday with a big smile, ready to learn. He is a kind and caring student who loves working with and guiding others. Tyler is always polite and supportive to his peers and the staff inside and outside of the classroom. He is a delightful and thoughtful student who is a very active member of the classroom. Well done, Tyler!

Riley - This term, Riley has displayed outstanding effort towards his school work. He has worked especially hard in the area of English and has produced a persuasive text on graffiti writing which included correct structure and lots of detail. Well done, Riley!

Summer - Summer has displayed great effort in Mathematics this term, especially in the Number strand. She can accurately match fractions to their equivalent decimal and percentage and is beginning to calculate the correct percentage of everyday items. Keep up the great work, Summer!

Heidi - Heidi has worked extremely hard in Mathematics this term and has displayed sound understanding of all topics covered. She can measure the capacity of a variety of containers and can identify the correct unit of measurement needed to measure capacity. Keep up the great work, Heidi!

Eliza - Eliza is able to independently investigate her predictions scientifically. She confidently describes how a change of state between solid and liquid can be caused by adding or removing heat. Keep up the great work Eliza.

Caitlyn ... Aussie Of The Month - Caitlyn is a helpful and supportive member of the Junior Room. She shows initiative and is thoughtful in situations when her peers are hurt or upset. It's great to see you being so caring and compassionate. Keep up the great work, Caitlyn!

Classroom Learning Focus

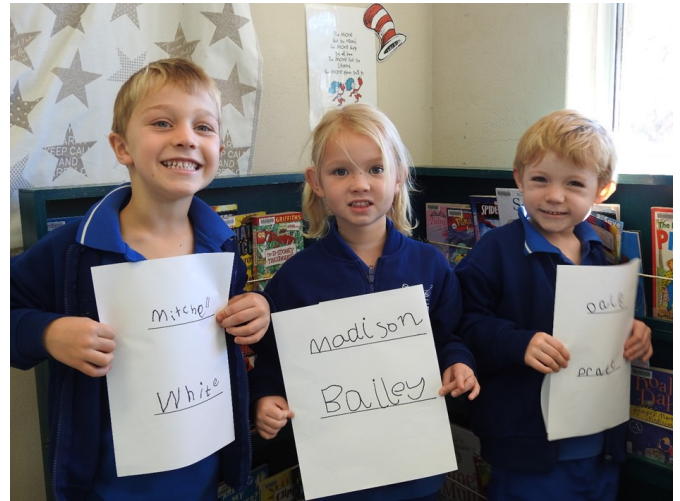

Senior Room

In Term 1, the Senior Room students entered a writing competition run by the WA Football Commission. The competition is open to all Year 3 – 6 students in Western Australia with one winner from each year selected. This week we were very pleased to discover that Jett Seymour was the Year 4 winner. Congratulation Jett.

Congratulations also to Hayden Topham on being selected to attend the Year Six Inland Lighthouse Network Science Aspirant Camp which is being held early next term.

Junior Room

In Kindy and Pre-Primary we have been focusing on writing our full names.

Look how neat we are!!!

Ms Murray

Open Classrooms

Parents making the most of an opportunity to share in their children's learning.

Mrs Seymour

This term we have been looking at roads and how they often separate natural landscapes. A variety of animals in urban and rural settings need to cross roads to access resources such as food, water, breeding sites or mates. This is often hazardous and unfortunately many animals are injured or killed in car collisions.

The Juniors looked at some bridges, then designed and made a model of a structure that animals can use to cross a road safely.

Animal Dress Up Day

Date - Thursday 4th of July

Come dress up as any animal you want!

Bring in a gold coin donation.

All donations go to RSPCA

By Hayden and Caleb

Starting or moving schools – immunisation records

Why is immunisation important?

Some diseases, like measles and mumps, can be very serious for children, and other people in the community.

In places where people are in close contact, like schools, diseases can spread fast.

Help protect your child by making sure they have had all their immunisations.

Free vaccinations are available from your doctor, local immunisation clinic, Aboriginal community health services, and the Central Immunisation Clinic.

healthywa.wa.gov.au/immunisation

What do I have to do when my child starts school?

When your child starts school, you need to give the school your child's Australian Immunisation Register (AIR) Immunisation History Statement.

This is required so that WA Health can provide support to parents/guardians of under-immunised children, as well as to enable schools to help reduce the spread of vaccine preventable diseases.

What is an AIR Immunisation History Statement?

An AIR Immunisation History Statement is a record of your child's immunisation history.

How do I get a copy of my child's AIR Immunisation History Statement?

A copy of your child's Immunisation History Statement is posted to you when your child completes their childhood immunisation schedule.

You can also access a statement at any time by:

- logging into Medicare online via MyGov (<https://my.gov.au>)
- using the Medicare Express Plus app (www.humanservices.gov.au/customer/services/express-plus-mobile-apps)
- visiting a Medicare or Centrelink office, or
- calling the AIR General Enquiries Line on 1800 653 809.

When do I need to give the school my child's immunisation history?

Whenever your child enrolls, the law says that you must give the school your child's Immunisation History Statement. This includes enrolling your child into:

- a kindergarten program
- pre-primary
- secondary school
- a new school.

What if my child was vaccinated overseas?

Overseas immunisation records must be verified and recorded in the child's AIR profile by an Australian immunisation provider. This update in AIR may take up to a few weeks. Following the update to the child's AIR record, parents can then access an updated AIR Immunisation History Statement.

What if my child is fully vaccinated but their AIR Immunisation History Statement is missing vaccine records?

If you think a vaccine record is missing from your child's AIR Immunisation History Statement, please ask your vaccination provider to update the AIR.

Alternatively, please email a photo of your child's vaccination records to your local public health unit and the AIR records will be updated accordingly.

What if I have not immunised my child for medical or other reasons?

You are required to provide a copy of your child's Immunisation History Statement on application for enrolment into a kindergarten program or school, even if your child has not been immunised.

Health and Well Being

‘Goal setting is the process of deciding what you want to accomplish and devising a plan to achieve the result you desire. ...

*For effective **goal setting**, you need to do more than just decide what you want to do; you also have to work at accomplishing whatever **goal** you have set.’*

Australian Government | Office of the eSafety Commissioner

cyber rules

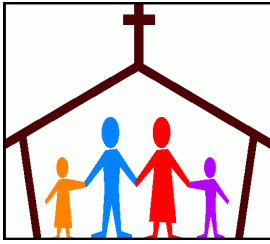

stay safe and have fun on the internet

- Be careful who you trust online. Making new friends can be fun, but there's a chance that they may not be who they say they are.
- Be kind online. Show others how to behave.
- Don't open messages from people that you don't know. These could be nasty, contain viruses or be trying to sell you something.
- Always keep your password a secret.
- Tell your parents if you are upset by anything scary you see on the internet.
- If someone is nasty, offensive or makes you uncomfortable online, don't respond. Leave the site straight away.
- Think before you post information online—once posted it's difficult to remove.
- Don't accept any offers that seem too good to be true—they probably are.
- Ask your parents before you give anyone on the internet your name, address or any personal details.

CBH GROUP

HARVEST CASUAL WORK 2019

Applications now open at careers.cbh.com.au

We are looking for hard working, enthusiastic people to work at our receival points across the WA grain growing region during harvest this year.

Casual positions available will commence from October:

- Receival Point Operators, including grain sampling, and
- Plant Operators at selected port terminals

Full training provided - no need for qualifications or experience, just a great attitude.

To find out more about the CBH Group, what harvest is like and where to apply, visit:
