Message From The Principal

This newsletter is a combination of School & Community news and as a result some content may not reflect Miling Primary School's attitudes or values.

MORAL PURPOSE:

to provide the opportunity for our students to become well informed, actively involved, positive citizens through: developing life long learners and maximizing the potential of every student.

Dear Parents, Carers and Community

Term 3

Our students are practising hard for the Faction Carnival at Kalannie next Friday. Staff are sharing and supporting any modified guidelines so that every student can participate, engage and enjoy the day.

Principal and Staff Professional Learning

Ms Murray attended a Professional Learning session focussing on classroom observations of teaching staff. This professional knowledge will be shared and planned to support our constant efforts to be 'high performing educators' and provide the best possible opportunities for our students. It is a requirement of the Education Department that schools undertake peer observation to inform and improve reflective practises in the school. This will be a focus for the teaching staff to begin this process during second semester.

Mrs Dennis attended Talk 4 Writing which will build our capacity to encourage engagement and use of vocabulary to extend and support success for our students. Talk4Writing is a school operational target and this knowledge and skill will be implemented in future planning for this year and also 2020.

continuous improvement is better than delayed perfection.

Faction Carnival

Takes place at Kalannie on Friday 6th September. Please be prompt and arrive on time and with all the equipment that your child will need for the day.

- * Water
- * Food
- * Sunscreen
- * Jumper/Jacket

Just a reminder that the students need to be in their faction bays by 9.15am.

For supervision and safety purposes, the students are to remain in their bay when not participating in an event. Please speak to the teacher in charge if you need to be with your child/ren.

NAPLAN 2019

I have received some on line information and we are still awaiting the official reports for each individual student.

Indonesian SIDE Visit

The visit from the Distance Education personnel was an engaging and productive day for our students. Many experienced the Indonesian food, culture and craft for the first time. Our senior students had the opportunity to use their skills and knowledge from the year's tutorials to good use. Building a relationship with their teacher for Indonesian was a terrific building block for the remainder of the years learning.

Science Week Activities

The students completed a number of activities that focussed on force and reaction for the whole day, co-ordinated by Mrs J. Seymour.

Respect Cooperation Kindness Perseverance

From previous page ...

Each student had the opportunity to problem solve, experiment, be creative and investigate the magical elements of Science.

Cross Country Runners

Congratulations to our small group of Cross Country Runners who were successful at Eneabba. A small group of students then travelled to Perth to put themselves to the test among many other students, in the hundreds. Their efforts should be acknowledged and applauded as it is quite daunting to tackle a large scale race such as the ones on the day.

Book Week

A celebration of reading and characters was the focus of our 'Reading is My Super Power' day for Book-Week. The teachers and staff lead the way by being 'Super Teachers'. The students completed a Superhero Profile that will be displayed in the Library for next assembly and open classroom opportunity.

Capital Works and Maintenance Visit

A co-ordinator from Capital Works and Maintenance and a representative from Northam Building Management and Works will be visiting the school on Monday 2nd September. I have shared concerns with the Department regarding aspects of our school that require upgrading, repair or renewal. I would hope that at least some of these concerns will be addressed in the near future.

Busy Bee

The P & C will be holding a busy bee commencing at 1pm on Friday to clean, clear and upgrade some of the grounds around the school. A sausage sizzle will be held later in the day when the tasks are complete. Your support for this action would be appreciated.

School Communication Survey

Thank you to all of the parents/families who have returned the communication survey (90.47%). The School Board will have the opportunity to read and discuss the responses at our meeting in Week 7. I encourage any parent if they have any concerns to please make an appointment with myself regarding operational aspects or the classroom teachers regarding your child's educational progress.

Regards

Ms Murray,

Principal

PARENTS—PLEASE NOTE

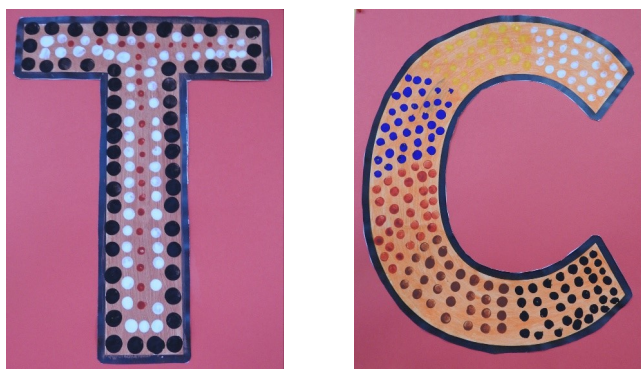

Miling Travel Stop will be closed on Friday 13th September so there will be no lunch orders available for that day

Classroom Learning Focus

Senior Room

In Art, the Senior Room students created these masterpieces using the first letter of their name and an indigenous inspired design.

Junior Room

In the Junior room we were lucky enough to have some beautiful little visitors! Last year we raised chickens and families who wanted, were welcome to take home a chick. Baby chicks from one of our roosters hatched a few weeks ago and were brought in for a visit.

Sunny, pictured above, is the proud Dad of the chicks who visited; a chick himself, last year in our classroom.

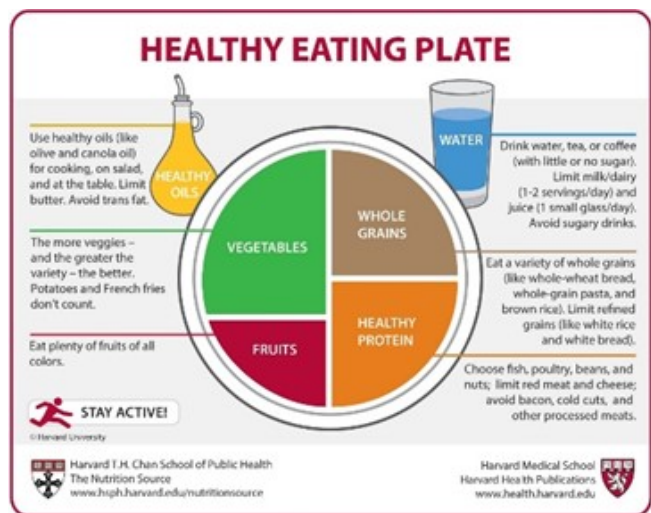

Another of our rooster chicks (pictured right) also featured on the weekend, winning 1st prize at the Dally Show.

What pedigree we have bred!

Ms Murray

Healthy Eating information from the student lessons about recording daily eating at school in their Health and Well Being folder.

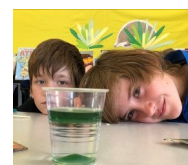

Mrs Seymour

For science week this year the theme was Destination Moon: more missions more science.

The students had fun while learning about space and forces in space.

Back, L - R
Tommy and Molly

Front, L - R
Ashley, Dale, Skye and Riley

Skye - In Mathematics this semester Skye has shown great effort and perseverance when working with larger numbers, with the focus of place value. Her motivation has resulted in a greater understanding and improved progression in this area. Well done, Skye!

Dale - Dale has shown great improvement in Literacy over the last term. He begins each lesson with enthusiasm and a willingness to try new things. Dale is committed to the home reading program which is helping him to identify new letter/ sound combinations. As a result his spelling has also shown great progress. Keep up the great work Dale.

Tommy - Tommy has worked hard this term in English and has displayed great progress. His oral reading has improved in both fluency and expression and he has demonstrated a good understanding of all that he has read. Keep up the great work, Tommy!

Ashley - Ashley has put a lot of effort into his Mathematics this term and has displayed sound understanding in all topics covered. He has been working hard to master the concepts of multiplication and division and always seeks clarification if it is required. Keep up the great work, Ashley!

Riley W - This term, Riley has displayed outstanding effort towards his school work. He has worked especially hard in the area of English, where he has demonstrated a sound understanding of the narrative genre by planning a well structured piece of writing which includes all of the relevant details. Well done, Riley!

Molly ... Aussie Of The Month - Molly is a polite and happy member of the Senior Room. She displays a mature nature and a positive attitude to all of her schooling and is a great friend to others. Molly always strives to achieve her best and displays both pride and effort into all that she does. Keep up the great work, Molly.

Congratulations also to the recipients of our *Values* prizes.

BOOKWEEK—2019

“READING IS MY SUPERPOWER”

Health and Well Being

Typical development changes in children's self-concepts

Developmental stage	What children might say about themselves	What it shows
Preschool	"I am four years old. I live with my Mum and Dad and my little sister. I love to play football. I can kick the ball really far. Watch me!"	<ul style="list-style-type: none"> Describes physical appearance, family context and favourite activity. Has high opinion of own abilities and wants to show you.
Primary school	"I am pretty good at maths because I get good marks. But I'm not so good at English, not like Sophie. Kids like to play with me because I'm happy most of the time and I'm kind."	<ul style="list-style-type: none"> Compares self with others. Determines own ability level by ranking performance against that of peers. Able to make a (more) realistic assessment of own abilities.
Secondary school	"I'm pretty talkative and funny with my friends. I'm an extrovert. At home I can be pretty moody. I get annoyed with my parents because they always seem to be on my back. But, I guess, where would I be without them?"	<ul style="list-style-type: none"> Able to reflect on and evaluate own qualities. Understands and accepts that personal characteristics can be changeable and inconsistent. Is able to integrate them into a coherent sense of self.

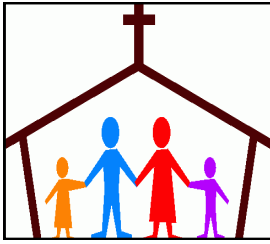

In our community we rely on one another, so everyone has a stake in the success of the children in our schools. This is why families, our schools, and our community need to work together to ensure children's success. (NAFSCE, 2019, <https://nationalalliance.nafsce.org>).

HARRO'S GOLF DAY

Thankyou for everyone coming to our second Harro's day.
I hope everyone had a good fun day.

A huge Thankyou to my family for helping make it all come together.

Rusty and Riana our club Captains. Very hard to make up teams.

Neil for trying to work out what everyone drank then bringing the Eagles bad luck. To Phil and Sheryle for getting all the drinks and delivering them. The boys behind the bar. They were kept busy during the evening.

Simon and Mouse for delivering drinks around the course to some very thirsty golfers.

Mark for the fire pit which was kept alight until well into the night.

A special thanks to the ladies who made the nibblies/sandwiches etc.

Our baby sitters again did a terrific job.

Thanks to the Miling Gold club for letting us hold this event.

Mrs Jones for the photos taken while everyone was having fun!!!!!!!!!!!!!!

Our winners for the day were:

Gross Natham/Aaron/Lauren/Pete

Runners-up Kade/Riana/Naomi/Lara

Miling Hockey Club Windup 2019

On Saturday August 10 we held our whole club windup where we celebrated all things hockey in Miling for 2019! It was a fantastic day with lots of fun had by both kids and adults. There were some awesome 'M' themed costumes and I thank everyone for their efforts!

Karen organised lots of fun games which started off our day followed by the C Grade vote count & presentations.

We enjoyed a delicious BBQ lunch & dessert and finished up with our A grade vote count and presentations. The day turned to night where the fun continued with music and dancing!

Thank you once again to our super coaches this year Naomi, Karen & Gary and congratulations to all of our trophy winners.

A massive thanks to all of our trophy donors too!

Congratulations to Clare Douglas for winning the association Fairest & Best. We are so proud of you!

It has been a fantastic year and I look forward to seeing you all on the field again in 2020!
