Message From The Principal

This newsletter is a combination of School & Community news and as a result some content may not reflect Miling Primary School's attitudes or values.

MORAL PURPOSE:

to provide the opportunity for our students to become well informed, actively involved, positive citizens through: developing life long learners and maximizing the potential of every student.

Dear Parents, Carers and Community

Term 4 Week 10

Absolutely amazing that we are at the end of 2019. Thank you to our committed staff, students and community for such a successful Christmas Graduation Concert for 2019.

Concert Graduation

Congratulations again to all the recipients of awards for 2019. I am sure that each and every student was very proud of their efforts and contributions.

Student Leader 2020

Congratulations to Chloe Latham on being awarded Head Student Leader for 2020 at the concert on Friday night. Well done to all of our current Year 5 students on their nominations, we know you will all make excellent Student Leaders.

Graduation Dinner

Last night, our Year 6 students, their parents and staff members enjoyed a meal together to celebrate the end of their Primary Schooling experience. Our students, Caleb, Heidi, Thomas, Hayden, Molly, Cooper, Ryan and Riley have all been such a big part of Miling Primary School and we will miss them next year. On behalf of Miling PS and the Miling Community, we wish all students the best of luck with their schooling in Perth next year.

Acting Regional Director Visit

Acting Regional Director Leonie Clelland visited our school on the 10th December. This was a very productive and positive experience as the conversations and support she offered will be very helpful moving forward into 2020. She also visited the classrooms to observe and have many

conversations with the students and made the comment about the lovely manners our students demonstrate.

P & C End of the Year Assembly

Tomorrow we will hold our annual P&C Book Assembly at 1:30pm in the Library. Parents are welcome to attend to see their child/ren receive a book kindly donated by the P&C.

If you are taking your child home at the conclusion of the Book Assembly, please notify their teacher and your bus contractor prior.

Maintenance Upgrade

Some of our work has been completed Tuesday. New flyscreen security doors have been installed on the classrooms.

Student Attendance

Our student attendance as at the end of 2019 was 92%.

Farewell to our Leaving Families

We are very sad to say farewell to the McNamara and Barnard families who have been such an integral part of our school for so many years. Many thanks for all that you have done for the school over that time and good luck in the future. Don't be strangers! Jarad and Cherise Martin will be having a "rest" for 12 months but we will be waiting to welcome you back when Isla enrolls in 2021.

Students Return

Please note, students will return to school on **Monday 3 February** in 2020.

A very merry Christmas and a happy and healthy New Year from all the staff. Travel safe and see you in 2020

Regards

Ms Murray,

Principal

Graduating Class 2019'

Junior Room

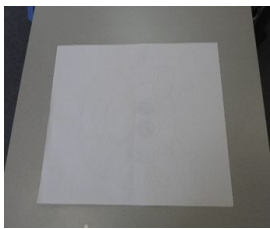

On Friday night at our end of year concert the kids performed "The Santa Interviews".

They did an absolutely amazing job and had so much fun.

Merry Christmas from Miss Huggins, Mrs Lehmann and the Junior Room!

Ms Murray

PROBLEM SOLVING

The Junior students started with a plain piece of white paper, drew a Christmas picture, calculated and planned how to create the longest paper chain that they could possibly make. The students produced amazing results from one piece of paper. Super Job Juniors!!!!

Mrs Seymour

To end a wonderful term in Science the Junior Room made wind mills and made their own rain clouds.

While the Seniors created some edible meteors, asteroids and comets.

Quotes of the Week

- Plan ahead - it wasn't raining when Noah built the ark. *(source unknown)*
- One hundred years from now, it will not matter what kind of car I drove, what kind of house I lived in, how much money I had in my bank account, or what my clothes looked like. But one hundred years from now, the world may be a little better because I was important in the life of a child. *Anonymous*
- Remember that not getting what you want is sometimes a wonderful stroke of luck. *Dalai Lama*
- Don't be fooled by the calendar. There are only as many days in the year as you make use of. One man gets only a week's value out of a year while another man gets a full year's value out of a week. *Charles Dow Richards*

TODAY'S FUNNY ...

The Magician

A magician working on a cruise ship had been doing the same routine every night for a year or so. The audience appreciated him, and they changed often enough so that he didn't have to worry too much about new tricks.

However, a parrot sat in the back row and watched him night after night, and finally figured out how the tricks worked. When the magician made a bouquet of flowers disappear, the parrot squawked, "Behind his back! Behind his back!"

The magician was really annoyed, but the parrot belonged to the captain, so he couldn't get rid of him.

One day, the ship sprang a leak and sank. The magician managed to swim to a plank of wood floating by and grabbed on. The parrot was sitting at the other end of the plank. They just stared at each other and drifted. They drifted for three days, still not speaking.

On the morning of the fourth day, the parrot looked over at the magician and said, "OK, I give up. Where did you hide the ship?"
